# ENVIRONMENTAL POLICY

The National Flooring Company Ltd is a recognised expert in the supply and installation of resin based flooring solutions for every type of industry.

National Flooring recognise that our business and day-to-day operations have an environmental impact. In taking responsibility for this, our company is committed to an ongoing programme of continuous improvement to maximise its sustainability and minimise its carbon footprint where possible.

As part of our self-assessment and responsibility to our environment we will achieve as a minimum requirement, compliance with all regulations, laws and codes of practice. This we will achieve and progress to exceed through our co-ordinated environmental management system.

- Energy use
- Product integrity
- Sustainable procurement
- Supply chain
- Personnel and communication
- Training
- Assessment and compliance

The company is committed to reducing these and other impacts and to the continual improvement of our environmental performance. To help achieve this, National Flooring have registered as members of the Business & Environment Management Scheme. (Membership Number: 1046)

We are committed to working with our staff, customers, suppliers, investors, contractors, regulatory bodies and neighbours to achieve the following objectives;

- Meet and where possible exceed all environmental regulations relevant to our organisation and its activities.
- Increase cost-effectiveness by reducing our consumption of energy and raw materials
- Reduce waste, pollution and noise both locally and in the wider environment
- Systematically assess all aspects of our company
- Set targets for measurable annual improvements
- Make our progress available for independent assessment.

It is the responsibility of all employees, visitors and contractors to fully support this policy through active participation and co-operation.

The introduction and implementation of this policy is a commitment of National Flooring management and a shared responsibility with our employees.

The policy will be reviewed annually as part of the organisations overall environment management plan.
